Dear mr. Claessens,

I hereby declare that calcium silicate masonry products listed in the KOMO-certificate number 31996, 31994, 31991 and 31998 that confirm with KOMO according to BRL 1004 d.d. 2002-08-26 also live up to all aspects of NEN-EN 771-2 :2000.

Products that conform to the KOMO guidelines are subject to factory production control scheme and market surveillance performed by IKOB-BKB.

The KOMO certificate is issued by IKOB-BKB and will be withdrawn in case of non-conformities. IKOB-BKB is assigned as notified body by the European commission under nr. 0957.
